The Town of Eaton in an effort to slow the spread of novel coronavirus (COVID-19) has announced the following efforts.

1. The Town Hall will be closed to the public starting March 18, 2020. The Town intends to evaluate on a weekly basis reopening the building based on current federal, state and medical suggestions.
2. Payments for Utilities should be sent through mail, processed online or over the phone and deposited in the drop box located on the front of Town Hall.
3. Due to the medical/government request for people to shelter in place, the Town will not do disconnects if an arrangement can be meet.
4. As mandates from Delaware County, State of Indiana and the United States of America Federal Government occur the Town of Eaton may have to change existing practices and methods to meet these mandates. The Town of Eaton will fully cooperate with these other government agencies during this time.
5. For more information contact the Eaton Town Office at 765-396-3980. Bridgett DeWees, Clerk-Treasurer
